VIT®

Vellore Institute of Technology

(Deemed to be University under section 3 of UGC Act, 1956)

VIT Chennai is home to over 13,000 dedicated students pursuing undergraduate and postgraduate degrees from India and globally. As part of the prestigious VIT Group, where combined enrollment exceeds 200,000, our Chennai campus stands out for its commitment to holistic education. We welcome around **4,000** new students each year, contributing to a vibrant academic ecosystem fostering innovation, collaboration, and global readiness.

While our annual cultural and technical festivals, such as **Vibrance-24**, attract more than **22,000 participants**, the true strength of VIT Chennai lies in its consistently growing student body and culture of excellence. With a projected student count of over **17,000+** in the upcoming academic year, the campus continues to expand its reach. Here, every student thrives through international collaborations, pioneering research, startup initiatives, and active community life, transforming academic aspirations into impactful achievements.

Confederation of Indian
Industry

Young Indians (Yi) is a movement under the Confederation of Indian Industry (CII) that aims to create a platform for young Indians to lead, co-create, and influence India's future. Established in 2002, Yi provides a unique opportunity for young minds to work towards realizing the dream of a developed nation and to imbue in them the qualities of responsible citizenship.

YUVA VIT Chennai is a proud chapter of YUVA, the student wing of Young Indians (Yi), an initiative of the Confederation of Indian Industry (CII). As a vibrant and dynamic community of passionate student leaders, YUVA VIT Chennai strives to inspire, engage, and empower the youth of our campus to become active contributors to the nation-building process.

Being a part of Young Indians, we align with Yi's national vision to "influence, inspire, and lead". Our platform nurtures responsible citizenship, leadership development, and social impact by engaging youth in meaningful, action-oriented programs.

YUVA AI-THON:

YUVA AI-Thon is a high-energy 24-hour national hackathon hosted by Yi YUVA VIT Chennai, crafted to spark creativity, collaboration, and cutting-edge problem solving. **Open to students from colleges across India, this dynamic event welcomes 500+ participants** who will come together to build, code, and innovate real-world tech solutions that create meaningful change. With access to expert mentorship, technical support, and modern infrastructure, participants will explore their boldest ideas and bring them to life.

BEYOND CODE — A JOURNEY OF LEARNING AND DISRUPTION

This isn't just about writing lines of code—it's about crafting the future. YUVA AI-Thon is an immersive experience filled with dynamic workshops, inspiring speaker sessions, and networking with industry leaders. Whether you're a beginner or a seasoned hacker, the event promises hands-on learning, team synergy, and a chance to showcase your talent on a national stage. At the end of 48 hours, what begins as an idea may just become the next big breakthrough.

YI INNOVATION

Encouraging creative problem-solving and technology use, we organize hackathons and innovation challenges to build future-ready leaders who drive progress.

YI ACCESSIBILITY

We promote an inclusive society by ensuring equal access to education, workplaces, and public spaces for differently-abled individuals. Through awareness, advocacy, and technology, we empower people to live with independence and dignity.

YI ROAD SAFETY

Committed to reducing accidents through education and awareness, we engage communities to promote responsible driving and pedestrian safety. Our mission is to build safer roads and save lives.

YI HEALTH

Focused on physical and mental well-being, we conduct health camps and wellness programs that encourage healthy lifestyles. Mental health awareness and preventive care are key areas of our work.

YI ENTREPRENEURSHIP

We nurture young entrepreneurs with mentorship and skill-building to turn innovative ideas into impactful businesses. Our goal is to foster creativity and sustainable growth.

YI SPORTS

Encouraging creative problem-solving and technology use, we organize hackathons and innovation challenges to build future-ready leaders who drive progress.

Climate change

We inspire youth to lead in environmental conservation by promoting sustainable practices, renewable energy, and waste reduction. Together, we work to protect our planet for future generations.

Engaged Events

CODE 2 CARRIER

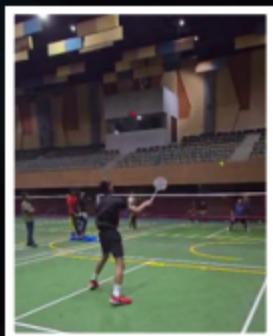

The event featured creative student projects and ended with a strong message about embracing continuous learning and core skills in a tough job market.

Bringing innovation and sustainability together, an impactful ideathon was organized by the YUVA Club in collaboration with V-NEST VIT Chennai. The event challenged student teams to develop creative tech-based solutions to pressing environmental issues using AI, IoT, and other emerging technologies. It served as a dynamic platform for young innovators to showcase their ideas, with top teams earning internships, funding, and incubation support.
